

3. What is the name of all companies that have been employed by Thames Water to provide security advice and support on the Thames Tunnel project, or any connected work?
4. What specifically has each company been contracted to do?
5. Have they been a) requested or b) permitted to carry out background research on members of the SaveKEMP campaign or any other campaign connected to the Thames Tunnel project?
6. Have they been expressly forbidden from carrying out background research on members of the SaveKEMP campaign or any other campaign connected to the Thames Tunnel project?
7. Have they carried out background research on members of the SaveKEMP campaign or any other campaign connected to the Thames Tunnel project?
8. Have they been a) requested or b) permitted to follow or carry out surveillance on members of the SaveKEMP campaign or any other campaign connected to the Thames Tunnel project?
9. Have they been expressly forbidden from following or carrying out surveillance on members of the SaveKEMP campaign or any other campaign connected to the Thames Tunnel project?
10. Have they at any time followed or carried out surveillance on members of the SaveKEMP campaign or any other campaign connected to the Thames Tunnel project?
11. Have they been a) requested or b) permitted to attend meetings of the SaveKEMP campaign or any other campaign connected to the Thames Tunnel project? If so, has this been without declaring who they are?
12. Have they been expressly forbidden from attending meetings of the SaveKEMP campaign or any other campaign connected to the Thames Tunnel project?
13. Have they ever attended meetings of the SaveKEMP campaign or any other campaign connected to the Thames Tunnel project, with or without declaring who they are?

Whilst I recognise your need to ensure the safety of your staff and the public at events, I would be concerned if your activities, or those of your contractors or consultants, include activities that would seem to be intended to undermine the legitimate rights of the public to oppose your plans.

I would therefore appreciate a response to this letter at your earliest convenience.

Yours sincerely
